

Make your own Fingerprint Fairylight Cards

Go on a twilight welly walk around your home to look at the beautiful Christmas lights in your neighbourhood.

Once you are inspired...

1. Draw or stick string in a wiggly line across a card (fairy light strings get very tangly!)
2. Get out some finger paints and dab bright colours along the string make your own strings of lights
3. The perfect Christmas card or gift tag to pop on presents.

It is so pretty seeing
